P & C News

More Parents Needed!!!

Hello to all Parents & Families.

We really need your help.

Our annual AGM was scheduled for Monday but unfortunately we only had six parents attend. This has now left us in a precarious position.

The 2017 committee is effectively dissolved and the school currently does not have a committee for 2018 as we were unable to legally vote in new executives. (We require an attendance of at least ten to proceed

with voting).

As you may be aware, the P & C is an integral part of the school community & provides not only opportunities to raise funds but also to come together as a community to support our children.

All is not lost, we have re-scheduled the AGM for week 10. Please note this date on your calendar.

The P & C AGM has been re-scheduled to

Week 10 - Term 1 - 2018

Friday 6th April 2018 at 10.00am

In the Library

**All Parents are cordially invited to attend our 2018
AGM**

**The AGM will be held straight after the morning
assembly.**

New executive committee members will be voted in for 2018.

We encourage you to become a part of the P & C and look forward to your attendance. This is your chance to help with providing better opportunities for our students through fundraising and assisting at special events.

Harmony Day

Wednesday 21st March 2018

The P & C have kindly offered to cover most of the cost of the incursion to be held next week for Harmony Day.

This donation will allow students to participate in the activity for only \$1.00 each.

Please check the school newsletter for further details on the incursion and other Harmony Day activities.

Did you know that **Orange** is the colour for Harmony Day.

Traditionally orange signifies social communication and meaningful conversations. It also relates to freedom of ideas and encouragement of mutual respect.

School Banking

All New Rewards

Banking is every Friday morning 8.30am – 8.45am at the canteen.

Students have a choice of new rewards, come and have a look at what you can earn and check out our tally board for 2018.

It has been great to see lots of smiling banking faces this term so far. Keep up with your savings.

Things to Remember

How Parents can be involved

Scholastic Book Club. Please look out for the catalogues & get your orders in early.

Parent Contributions go towards providing resources to students. These are payable with your Voluntary School fees.

Donations of second hand uniforms are always welcome. Drop them into the office at any time throughout the year.

The P & C Shop

Friday Mornings 8.15 – 8.45am

The P & C were hoping to trial a "Shop" to run through the canteen. The shop was to be open every Friday before school. However we were unable to make any further steps due to lack of parent support.

We are looking forward to following up with this commitment as soon as the 2018 P & C committee has been elected.

What is Currently Available?

Currently we have stamper pens, stickers, activity bags & other small items to purchase.

The shop will also look to have consumable stationary items so that students can purchase replacements as they are needed.

Price list to be arranged.

Second hand uniform sales will continue every Friday as well. All uniform items are \$2.00 each.

It is unlikely we will be moving forward with any food, snacks etc due to lack of assistance or interest.

****Friday 23rd March will still be our Grand Opening****

Come and enjoy free tea/coffee & a biscuit with us.

When ordering Dominos on line remember to quote QPPS in the Mogul search bar & purchase our pizzas to raise "dough"

5 Cent Fridays

Fundraising Made Easy

**EASIEST
FUNDRAISER
EVER**

Don't forget our 5c Friday Challenge for Term 1.

Students are encouraged to bring as many 5c coins as possible to school and pop into the collection jar at the canteen.

Can we get to the top of the jar before the end of Term???

Spot prizes given away each week to lucky students who drop coins in the jar. Will you be a winner next week?

**Thank you to all those
students who have
participated this term.
The jar is nearly full.**

The P & C will be assisting students to take part in March Munch. Students are challenged to eat vegetables for crunch and sip during March.

Crunch and Sip is a set break during the school day to eat vegetables or fruit and drink water in the classroom. As only 1 in 6 WA primary school students eat enough vegetables the P & C is encouraging kids to choose vegies during crunch and sip to boost this figure.

Every Friday morning before school, during March, (2nd, 9th, 16th, 23rd & 30th) The P & C will have a choice of vegetables for students to try during their Crunch and Sip break. These will be available at the canteen.

One serving per student per week offered free. There will be different choices each week.

****Parents please pack vegetables for Crunch & Sip****

Week 1 – Students were offered mini salad buckets containing lettuce, cherry tomato, carrot, cucumber & legume sprouts.

Week 2 – Today we had Broccoli, Cauliflower & carrot cups.

The P & C would like to thank all Teachers and Staff for their ongoing support.
